Re: Food Bank

On behalf of the Ralph J. Bunche Community Center Inc., we would like to extend our thanks to you for volunteering and providing your time and services to our organization in helping with our Food Pantry.

We appreciate the volunteer service you have provided and your sincere desire to help us ensure things would run smoothly and help address food insecurity within our community. It is a huge undertaking, and so many Ralph Bunche members work tirelessly to make it happen.

Rest assured, your effort and time are greatly appreciated, and we are hopeful that you may have time to volunteer at one of our future charity events.

It has been a great pleasure working with you on this project.

Regards,

Richard D. Johnson
